COL. RUPPERT'S \$14,000 DOGS.

Three Noble St. Bernards Arrive on the Arizona To-Day.

Cot. Jacob Ruppert, it., of Gov. Hill's staff, is an enthusiast on the subject of thorough) red core. During his recent trip abroad he purchased three magnificent St. Bernards, which were bred in England, and for which he is said to have paid \$14,000.

The three dogs arrived to-day from England in charge of Samuel Manie, by the Guiop Line steamer Arigons, and as they were led down the gang plank to the dock they excited the admiration of all who saw them.

They were splendld spectmens. The biggest one stood over three feet in height and is three years old. The second is two years old and the third eleven months. It is said that Cal. Ru pert paid \$11,000 for the turer-year-old, who hes a long and distinguished pedigree. All the dogs were fox-colored, with beants falshaugy coats and a hand of white under One More Tammanylte to He Placed.

Report That the Morrises Have the Washington Track.

One week from to-day and the Spring meeting of the New York Jockey Club will close, and on Tuesday following the great Suburban will be decided. Should the weather this week be as fine as it was last week. Morris Part will close the most successful fortnight's racing ever held in this country. In fact, it has been of such high class that the coming Suburban has almost occu lost sight of for the time being. The racing this week will be highly interest-

ing for there are some good stake events to be divided. Among them are the Ladies' Stakes tomorrow, the historic Belmont Stakes, with a one list of entries, on Wednesday, and the ill Breeze Stakes for the same day. It is reported that J. A. & A. H. Morris, the opular owners of Morris Park, have secured control of the Washington race track. If this

be true, the old-time racing at the National Capital will be restored under the Morrisca' broad and liberal policy. It is also rumored that the Morrises are negotisting for Bennings track, and it is said
